Dear Valued Supporters,

I am pleased to confirm that the BC Cancer Foundation is partnering with the **Tee'd Off At Breast Cancer Society** as the chosen beneficiary of their upcoming golf tournament, taking place on **August 21, 2026**.

Last year, the inaugural tournament raised an incredible \$52,000 in support of the new BC Cancer centre in Kamloops, and the Society is proud to continue supporting this vital fund again this year. The new centre will significantly expand access to cancer care across the Thompson–Cariboo–Shuswap region by bringing life-saving treatment closer to home.

The BC Cancer centre in Kamloops will include radiation therapy, an MRI suite, a CT simulator, exam rooms, and outpatient ambulatory care, and is expected to deliver approximately 14,000 radiation treatment visits each year. This will greatly reduce the need for patients to travel to Kelowna and, for the first time, allow patients in Kamloops and surrounding communities to receive radiation therapy locally – easing the physical, emotional, and financial burden of travel during an already challenging time.

With your support, we can make a lasting impact on the lives of those facing cancer in our community. The need for care continues to grow – **one in two** British Columbians will face a cancer diagnosis in their lifetime, and demand for cancer care is expected to rise by **60%** over the next decade.

If you have any questions about the BC Cancer Foundation or our partnership with the Tee'd Off At Breast Cancer Society, please do not hesitate to reach out. Your thoughtful consideration in supporting this important community initiative is sincerely appreciated.

Warm regards,
